

# How to Run a What-If Report

Use this function to see the requirements for a new major or minor.

<p><b>STEP 1</b> Log in to Single Sign On (SSO) and access your myCSULB Student Center.</p>	
<p><b>STEP 2</b> Under Academics, select "What-if Report" from the "other academic..." drop-down menu and click the double arrows.</p>	
<p><b>STEP 3</b> Click the "Create New Report" button</p>	

## STEP 4

### NEW MAJOR

Select the major you want to view in the Program Scenario area and use the current semester for the Plan Term.

You can specify courses you plan to take for your new objective in the What-If Course List. This is not required.

Click "Submit Request" to create the report.

### ADD MINOR

Your major remains on the first line, select the semester you declared for the Plan Term. Choose your new minor on the second line and use the current semester for the Plan Term.

You can specify courses you plan to take for your new objective in the What-If Course List. This is not required.

Click "Submit Request" to create the report.

#### Program Scenario

Select an Area of Study and Plan Term to simulate a different major and catalog year. If the selected major has a Concentration or Track, you may also select these in the Concentration and Subplan Term columns. You can select up to three major, minor or certificate areas of study and should always use the current term.

Academic Program	Area of Study	Plan Term	Concen
Undergraduate Degree	History BA	Fall 2018	n/a
None	None		None
None	None		None

#### Course Scenario

Select the "browse course catalog" button and then select courses for inclusion in your course what-if scenario.

### What-if Report Selection

You may be thinking of changing your program of study and wonder how that change would affect your progress. You can use this component to set up and request a simulated or "what-if" advisement report based on alternate programs of study. Select the Create New Report button to set up your what-if scenario.
