Position: Event Management Intern Fall 2022

Description:

As Southern California's Luxury Wedding Management Company, Venues & Estates provides unparalleled Venue Expertise and Wedding Celebration Experiences.

Weddings are our specialty, and with our Infinity Planning framework, we prioritize each love story to make every Wedding consistently unique. V&E Couples choose their venue from the most luxurious and romantic Southern California event properties, and our Team implements the Narrative of each of their Love Stories into every detail of their customized design to create an unforgettable celebration.

Our mission is to create the Wedding of our V&E Couples' dreams, and our goal is to make one day last a lifetime.
