

Internships for Spring 2022 with Kahlo Creative LLC:

All internships will be dealing with our Multimedia Platform LB Living, under Kahlo Creative as the main organization.

LB Living is a multimedia lifestyle platform that focuses on life in Long Beach and beyond. Our platforms include print magazine, website, video production, app, major community events, experiences and business relations.

Thank you so much, looking forward to working again with LB State Students.

Interns will receive hands-on training in journalism, content creation, writing, and video production, depending on the nature of the internship.

There will be opportunities to write articles for our website and app, conduct interviews, and do behind-the-scenes work that will impact the community. We offer a hands-on experience that provides students with a full understanding of what it takes to run a multimedia lifestyle platform. Interns should have experience in journalism and/or public relations.

All class levels are welcome

Possibility of part-time employment will be available after the internship is complete.

Internships are **unpaid** but we will sign off for college credit

Open Position:

Instagram & Facebook Intern:

- Create multimedia content highlighting Long Beach Community
- Monitor and take advantage of Instagram trends
- Monitor and respond to comments and direct messages
- Identify opportunities that would benefit LB Living
- Pitch new and exciting content ideas specific to the Instagram and Facebook channels

Apply! And should you have any questions, please feel free to contact me.
