

HAVE YOU LEARNED ANY OF THE FOLLOWING LANGUAGES IN HIGH SCHOOL OR AT HOME?

FRENCH, GERMAN, ITALIAN, SPANISH

YES

Explore the pathways into these language programs at CSULB: it's an accelerated pathway to a minor or a double major!

HOW?

Through Avant Proficiency testing or the Global Seal of Biliteracy, you can receive credit for up to 16 units FREE* when you take a course at the next level in this language at CSULB**!

* If you have taken the AVANT STAMP 4S test within the past two years, please provide the detailed test result for placement. If you have not yet taken it, you will have to pay for the test.

** AP and IB scores can also help you in similar ways to get equivalency for lower-division language classes.

Benefits? Save time and money! For example, if you tested at the Intermediate-Mid or higher level on the Avant STAMP 4S test or Global Seal of Biliteracy from your high school within the last two years, you can test out of up to four levels of lower-division language courses at CSULB! That is only five upper-level classes away from a minor!
