

Behind The Screens: Bridging the Digital Divide

**October 14th, 2020, from
4:00pm-8:00pm**

<http://bit.ly/IIEBTS2020>

This interactive online symposium will focus on the dark side of technology and explore how digital discrimination as well as differing levels of access to hardware, software, Wi-Fi and technical knowledge are impacting CSULB students and their families in the Long Beach and greater Los Angeles areas.
